KITAZAUBER★STERN

# Monthly Theme

Month	Theme	Description
January	Winter Magic	Together with the children, we explore winter and all its special features. We do crafts, experiments, and experience how nature and everyday life change during the cold season.
February	Carnival	With colourful masks and costumes, we welcome the fifth season of the year. We explore the traditions of Carnival, celebrate together, make music, and enjoy this joyful time.
March	Spring Awakens	Winter slowly says goodbye, and nature and animals begin to awaken. We observe, plant, and experience spring with all our senses.
April	Easter, Chickens and Bunnies	Where do eggs come from, and why do bunnies hop around at Easter? Through stories, small experiments, and creative crafts, we dive into the colourful world of Easter together.
May	Farm Life	In our farm project, children discover life on a farm. They get to know different animals, learn where our food comes from, and experience farm life in a playful and hands-on way.

Month	Theme	Description
June	Nature: We Are Little Gardeners	Children experience firsthand how plants grow and what they need to thrive. With great joy, they sow seeds, water plants, and observe their own little garden miracles.
July	Summer	We celebrate the sunny season with colourful games, water activities, and outdoor excursions. We enjoy warmth, light, and nature, and share happy summer adventures together.
August	Weather Wonders	We observe how sun, rain, wind, and snow change our world. Through exciting experiments and observations, children experience the fascination of weather up close.
September	Senses and Perception	Children discover how their senses help them experience the world. Through playful activities and small experiments, they explore seeing, hearing, smelling, tasting, and touching.
October	Autumn and Halloween	Leaves become more colourful, the wind cooler, and Halloween approaches. We explore the Halloween world through crafts, games, and small spooky adventures suited to children.

Month	Theme	Description
November	Me and My World	Children explore themselves and their surroundings in a playful way. They learn to better understand their feelings, strengths, and relationships with others, shaping their own little world.
December	Christmas Time	We enjoy the magical Christmas season with sparkling lights, stories, songs, and creative crafts. Together, we experience the festive atmosphere and the joy of togetherness.
